Pashley Manor has 11 acres of beautiful borders and vistas – the culmination of a lifetime of passion for gardening, an appetite for beauty and an admiration of the tradition of the English Country garden. These award-winning gardens, on the border of Sussex and Kent, are family owned and maintained.

It has all the ingredients of the English Country Garden; sweeping herbaceous borders, ha-ha, well maintained lawns, box hedges, espaliered rose walk, historic walled garden, inspiring kitchen garden, venerable trees and the Grade I listed house as a backdrop. The gardens are a haven for wildlife – bees, butterflies and small birds as well as moor hens, ducks and a black swan and borders overflowing with perennials.

Pashley is also renowned for fantastic displays of tulips, roses and dahlias. Their annual *Tulip Festival* features 35,000 tulips and is celebrating its 25th year in 2019. During *Special Rose Week* over a hundred varieties of rose swathe the walls, climb obelisks and bloom in flower beds. Then in late summer the *Dahlia Days* event transforms the gardens once more with bountiful, brightly coloured dahlias in every border and pot.

Delicious homemade lunches are available at the Garden Room Café.
