

CHRISTMAS OUTING

Wednesday 9th December 2026

The Haslemere Gardening Society will visit

Kew Gardens for “Christmas at Kew”

Christmas at Kew is an evening illuminated trail through the Royal Botanic Gardens, transforming the gardens into a 3 km (1.86 mile) festive wonderland. Enjoy larger-than-life light installations, glowing tunnels, immersive soundscapes and seasonal street food. Highlights include the Palm House Pond light show, the Christmas Cathedral, the Fire Garden, Infinite Choir and Drift.

Join us at Kew Gardens for the most wonderful time of the year, as the magical winter trail lights up the evening skies. Enjoy after-dark festivities with family and friends while discovering sparkling light tunnels, dancing lakeside reflections and trees glowing in jewel-like colours. You will be welcomed into a stunning botanical world filled with light, music and the enchantment of the season. Experience Kew Gardens illuminated in vibrant hues through an extraordinary array of new light displays.

Follow the trail through flickering flames in the Fire Garden, spot larger-than-life illuminations and greet Father Christmas along the way. Along the route, independent street-food vendors will offer festive favourites, from hot meals and sweet treats to spiced winter warmers and hot chocolate.

Walk under the stars and enjoy a holly, jolly Christmas as seasonal music fills the air. Complete your evening with a traditional fairground, alongside festive street food and warming winter treats - from savoury bites and sweet delights, toasted marshmallows, mulled wine and indulgent hot chocolate.
